Dear Resident Fire Marshal,

We have been working diligently to streamline our Certified Fire Marshal renewal process. As such, we are pleased to offer two new features which are available by visiting [www.llr.sc.gov](http://www.llr.sc.gov), clicking on the applicable link (see red arrow below) and logging in with your alternate ID.

The first feature is called "Licensee Look-up." This allows the fire service, and public, to look up certified fire marshals by name, county, or FDID. All active Certified Fire Marshals are on the same renewal cycle and have a renewal date of Dec. 31, 2018. If you find any errors (or missing data), please contact [FMCertification@llr.sc.gov](mailto:FMCertification@llr.sc.gov).

The second feature is the ability of each Certified Fire Marshal to print his/her certification card (photo no longer required). If you have not received your card, please print the online version as we are no longer printing photo identification cards. To obtain your certification card, click on "Print a copy of your license."
